Issued: 7/16/2021

T-3001 Instructions For Continued Airworthiness

Subject:	Airworthiness Limitations
Part Number:	E350A33-2145-01
Installations:	Airbus Helicopters AS350B, AS350B1, AS350B2, AS350BA, AS350B3, AS350D, AS355E, AS355F, AS355F1, AS355F2, AS355N, AS355NP
Revision History:	IR – 7/16/2021 Initial Release
Reason:	This document sets forth the FAA-approved mandatory inspection intervals for the critical parts listed and instructions for continued airworthiness (ICA) herein.
Description:	The schedule below summarizes the airworthiness limitations of the parts/articles shown.
Applicability:	See Table 1.
FAA Approval:	<p>Approved By: _____ Manager, Airframe Section Federal Aviation Administration Los Angeles ACO Branch</p> <p>Date of Approval: <u>10/7/2021</u></p>
Airworthiness Limitation:	<p>The airworthiness limitations applicable to EXTEX parts/articles have been substantiated through test to be the same as those of the Type Certificate Holders (TCH) parts/articles. The airworthiness limitations are listed in Table 1.</p> <p><u>Airworthiness Limitation Schedule</u> The Airworthiness limitations section is FAA approved and specifies maintenance required under CFR 14 part 43.16 and 14 CFR part 91.403 of the Federal Aviation Regulations, unless an alternative program has been FAA approved.</p> <p>The airworthiness life or inspection interval for any part/article contained in this schedule applies to all successive dash numbers for that component unless it is otherwise specified.</p>
Instructions for Continued Airworthiness:	<p>As a part of the FAA approval process, EXTEX demonstrates that the TCH ICA are applicable to EXTEX replacement articles.</p> <p>Airbus Helicopters maintenance instructions (See Table 2) are applicable in all respects except EXTEX part numbers are not included in Airbus Helicopters manuals.</p> <p>All work must be performed at a FAA approved repair facility.</p> <p>Refer to the TCH ICA for any additional requirements.</p>
Notes:	Return parts that have failed the 30 hour inspection interval to EXTEX. Please contact your EXTEX representative with any questions.
